This Termsheet sets out in summary form the proposed terms of the Certificates. The terms and conditions of the Certificates (the "Conditions") shall comprise the Terms and Conditions of the Certificates (as set forth in the Information Memorandum of UBS AG dated 16 September 2019 (as supplemented, updated or replaced, the "Information Memorandum")), subject to completion and/or amendment in the relevant Final Terms in respect of the Certificates. Prospective investors should review such documentation carefully when available. The Final Terms will be available from the Issuer on request. Certain specified payment dates may be delayed in accordance with the provisions of the Conditions.

The Certificateholders' rights under the Certificates shall not give rise to any proprietary or beneficial rights or interests in the Index (as defined below) or its components and the Certificateholders are not granted any security or other interest over the Index or its components.

PROHIBITION OF SALES TO EEA RETAIL INVESTORS - The Certificates are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the "EEA"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "MiFID II"); (ii) a customer within the meaning of Directive 2016/97/EU, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129 (the Prospectus Regulation). Consequently no key information document required by Regulation (EU) No 1286/2014 (the "PRIIPs Regulation") for offering or selling the Certificates or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Certificates or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

Administrator/Benchmark Event	In relation to the Index, the occurrence of a Non-Approval Event, a Rejection Event or a Suspension/Withdrawal Event.
Non-Approval Event	<p>in respect of the Index:</p> <p>(a) any authorisation, registration, recognition, endorsement, equivalence or approval in respect of the Index or the administrator or sponsor of the Index is not obtained;</p> <p>(a) the Index or the administrator or sponsor of the Index is not included in an official register; or</p> <p>(b) the Index or the administrator or sponsor of the Index does not fulfil any legal or regulatory requirement applicable to the Issuer, the Calculation Agent or the Index,</p> <p>in each case, as required under any applicable law or regulation in order for any of the Issuer, the Calculation Agent or any other entity to perform its obligations in respect of the Certificates. For the avoidance of doubt, a Non-Approval Event shall not occur if the Index or the administrator or sponsor of the Index is not included in an official register because its authorisation, registration, recognition, endorsement, equivalence or approval is suspended if, at the time of such suspension, the continued provision and use of the Index is permitted in respect of the Certificates under the applicable law or regulation during the period of such suspension.</p>
